Child Care Subsidy System

Child Care Subsidy ('CCS') is available to all families who are Australian Residents, their child meets immunisation requirements **and** parents meet eligibility requirements. Entitlement is determined by an activity test which determines the number of hours of subsidised care to which families are entitled.

Some families may meet the requirements for **Additional Child Care Subsidy**.

All families must sign a **"Complying Written Agreement"** as an agreement to provide care in return for fees and enabling families to receive Child Care Subsidy or Additional Child Care Subsidy.

To ensure that you are linked to our Centre through the Child Care Subsidy System ('CCSS'), and to have your Child Care Subsidy ("CCS") entitlements applied to your Childcare fees, you must access your myGov account and complete a Child Care Subsidy assessment. If eligible, the Subsidy will be paid directly to the service on your behalf and we will reduce the fees owed. This can occur after our service enters families' enrolment information online, and families confirm their enrolment information through their myGov account. Until Child Care Subsidy details are available, families will need to pay full fees.

Please complete the following information accurately to ensure that your details are linked to our Centre and to enable you to receive CCS entitlements. Please note Centrelink may change these details periodically. It is the responsibility of Parents/Carers to check Statements regularly to ensure these details are correct.
